1. [What is a Target Market Determination?](#)

A Target Market Determination (TMD) is a determination that Suncorp has made to:

- describe the class of Customers this product has been designed for;
- specify product distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists Suncorp staff, our Distributors and Customers in understanding the target market for this product.

In this TMD, distribution includes the following conduct in relation to retail Customers:

- dealing in the product (e.g. issuing or arranging for the product to be issued to a Customer);
- giving a PDS or other regulated disclosure document; and
- providing financial product advice in relation to the product.

2. [What product does this TMD apply to?](#)

This TMD applies to Comprehensive cover offered in the Suncorp Car Insurance Product Disclosure Statement (PDS) and any Supplementary Product Disclosure Statement (SPDS) we may issue.

3. [What are the key attributes of this product?](#)

5. [When will we review this TMD?](#)

We will complete a review of this TMD for this product by no later than the following periods:

- First review period:
By 04/08/2023.
- Ongoing review periods:
At least every 2 years following the first review period.
- Significant impact review:
Within 1 year of the TMD being updated based on a Review Trigger, a significant dealing outside of target market or a material change to the product’s distribution channel.

6. Other circumstances which will trigger a TMD review

The Review Triggers for this product are:

- if one or more terms of the product are altered and we consider that this alteration reasonably suggests that this TMD is no longer appropriate;
- an event or circumstance occurs that materially changes a factor taken into account when making the TMD that would suggest to us that the TMD is no longer appropriate, such as a change in underwriting requirements;
- the discovery of a material defect in the PDS which reasonably suggests that the TMD is no longer appropriate;
- if feedback, such as significant or systemic complaints or claims issues, is received from a Distributor or Customers who purchased the product, and we consider that this reasonably suggests to us the TMD is no longer appropriate;
- if feedback, regulatory orders or directions received from a regulator, the Code Governance Committee (CGC) or Australian Financial Complaints Authority (AFCA) suggest this TMD is no longer appropriate;
- if a change in law, regulation, or regulatory guidance that materially affects the product design or distribution of the product (or class of products that includes this product) where we consider that this reasonably suggests that this TMD is no longer appropriate;
- where significant dealings outside the TMD occurs, and we consider that this reasonably suggests that this TMD is no longer appropriate;
- if a remediation event relating to this product occurs where we consider this would reasonably suggest that:
 - this product is unsuitable for a particular cohort of Customers; and
 - the TMD may no longer be appropriate.
- if we consider, through our ongoing monitoring of product value data metrics (such as those identified in Section 9 of this TMD), that material deviations have occurred in a combination of data metrics reasonably suggesting that the product is not providing value or the TMD is no longer appropriate.

7. What distribution conditions apply to this product?

The following conditions apply to this product:

- those Distributors who distribute the product are required to be authorised by us to distribute this product and those arrangements must not be cancelled or suspended;
